'KEYBOARD' BOOKMARK

Approx. Design Size:
4 cms x 16.5 cms

Material: 16ct Aida Band

COLOUR KEY

Key SYMBOL DMC No.

1		310 - Black
2		351 - Coral
3		Backstitch 'Gold'
1		Backstitch Black

Stitching Instructions:

In this design, we recommend using two strands for standard cross stitch, two strands for black backstitch and one strand for 'gold' or metallic backstitches.

Backstitch is usually done when the work has been completed.

To Finish: Regular Aida fabric can also be used. Fringe or overlock the edges. 'Iron On' backing is ideal for the reverse side of the bookmark. Helps keeps fabric stiff, neat and stitches secure.
